**DECLARATION AND STATEMENT OF LOUIS R. STRUBECK, JR. IN SUPPORT
OF APPLICATION OF DEBTORS FOR ENTRY OF AN ORDER PURSUANT TO
11 U.S.C. §§ 327(a), 328 AND 1107(b), FED. R. BANKR. P. 2014 AND 2016, AND
BANKRUPTCY LOCAL RULE 2014-1 AUTHORIZING RETENTION AND
EMPLOYMENT OF NORTON ROSE FULBRIGHT US LLP AS COUNSEL
TO THE DEBTORS, *NUNC PRO TUNC* TO THE PETITION DATE**

I, LOUIS R. STRUBECK, JR., do hereby declare as follows:

1. I am over twenty-one (21) years of age, of sound mind, and capable of making this Declaration.

2. I am a partner at the law firm of Norton Rose Fulbright US LLP ("NRFUS" or the "Firm"), and am duly authorized to make this declaration (the "Declaration")² on behalf of

¹ The Debtors include all of the affiliated entities that are listed on the Appendix, attached hereto.

² Terms not otherwise defined herein maintain the definitions previously described to them in the Application.

NRFUS. I am an attorney admitted to practice law in the courts of the State of Texas and before the U.S. Bankruptcy Court for the Northern District of Texas.

3. I make this Declaration in support of *the Application for Entry of an Order Pursuant to 11 U.S.C. §§ 327(a), 328 and 1107(b), Fed. R. Bankr. P. 2014 and 2016, and Bankruptcy Local Rule 2014-1 Authorizing Retention and Employment of Norton Rose Fulbright US LLP as Counsel to the Debtors, Nunc Pro Tunc to the Petition Date* (the “Application”).

4. Except as otherwise set forth herein, all facts set forth in this Declaration are based upon my personal knowledge or derived from information available to me which I believe to be true and correct. I will supplement this Declaration if pertinent additional information becomes available to me concerning any relationship between NRFUS and the creditors of, or interest holders in, the Debtors.

General Statement

5. Insofar as I have been able to ascertain after due diligence, neither I, NRFUS, nor any partner, associate, or counsel of NRFUS represent any party in interest or any other entity other than the Debtors in connection with these chapter 11 cases. Thus, NRFUS is a “disinterested person,” as that term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code. NRFUS’s due diligence has revealed that NRFUS:

- (a) neither holds nor represents any interest adverse to the Debtors’ estates or fails to be a disinterested person so as to render NRFUS ineligible to serve as counsel for the Debtors under section 327(a) of the Bankruptcy Code;
- (b) is not a creditor, equity security holder, or insider of any of the Debtors and does not currently represent any entity (or its attorneys or accountants) other than the Debtors in connection with the Debtors’ chapter 11 cases;
- (c) is not, and was not, within two (2) years prior to the Petition Date, a director, officer, or employee of any of the Debtors;

- (d) does not have an interest materially adverse to the interest of the Debtors' estates or of any class of creditors or equity security holders of the Debtors by reason of any direct or indirect relationship to, connection with, or interest in, any of the Debtors, or for any other reason; and
- (e) has no connections with the Debtors or their creditors, equity interest holders, or any party in interest herein; with the respective attorneys or accountants of the foregoing; or with the United States Trustee or any person employed in the Office of the United States Trustee, except as set forth herein.

6. Although NRFUS has, in connection with unrelated matters, certain relationships with other parties in interest and other professionals involved in these chapter 11 cases, NRFUS has not represented any other party in connection with matters relating to the Debtors or the Debtors' estates in these Chapter 11 cases.

Search and Disclosure Procedures

7. With respect to NRFUS's representation of the Debtors, I utilized NRFUS's master client database and conflicts database system to assess potential conflicts (the "Conflicts Check").

8. NRFUS's master client database contains the names of entities for which NRFUS has provided services or has otherwise billed for services for approximately the past seven years, and three years for other members of the Norton Rose Fulbright Verein (the "Client Database"). In conjunction with the Client Database, NRFUS maintains a computer software system that enables a user to input the name of an entity and search the Client Database for any related entities that NRFUS currently represents or has represented in the past (the "Conflict Search System").

9. With respect to the Conflicts Check, I performed, or caused to be performed, the following actions to identify potential conflicts:

- (a) Through consultations between the senior management of the Debtors and NRFUS attorneys who have provided services to the Debtors, developed a comprehensive list consisting of the entities that may have contacts with the Debtors (the “Known Contacts List”).
- (b) After reviewing the Debtors’ documents and files and through discussions with the Debtors, used the Known Contacts List to compile a list of the names of any entities that may be parties in interest in the Debtors’ chapter 11 cases (“Potential Parties in Interest”). A list of the Potential Parties in Interest is attached hereto as **Exhibit A**, and includes:
 - (i) known prepetition and post-petition secured lenders and lienholders;
 - (ii) the Debtors (including DBAs) and the Debtors’ affiliates;
 - (iii) the Debtors’ joint venture partners;
 - (iv) the Debtors’ landlords;
 - (v) the United States Trustees for the Northern District of Texas;
 - (vi) the Debtors’ restructuring and ordinary course professionals;
 - (vii) the Debtors’ letter of credit beneficiaries;
 - (viii) the Debtor’s third party administrators;
 - (ix) current and former directors and officers of the Debtors for the past two (2) years;
 - (x) the Debtors’ major contract counterparties;
 - (xi) parties to current litigation involving the Debtors;
 - (xii) the Debtors’ utility providers;
 - (xiii) the Debtors’ banks;
 - (xiv) the Debtors’ general unsecured creditors;
 - (xv) the Debtors’ insurance providers;
 - (xvi) the Debtors’ Taxing Authorities and Other Relevant Government Entities; and
 - (xvii) the holders of over 5% of the Debtors’ equity interests.
- (c) Entered the names of each of the Potential Parties in Interest into the Conflict Search System to pull information on NRFUS’s relationship with entities in the Client Database that are or may be related to the Potential Parties in Interest (the “Conflict Search Results”).³

³ The Conflict Search Results list was compiled after reviewing the results generated for all Potential Parties in

- (d) Reviewed the Conflict Search Results to delete obvious name coincidences and to delete those entities that were adverse to NRFUS's clients in the matter.
- (e) Using information in the Client Database concerning entities on the Conflict Search Results, verified that NRFUS does not represent and has not represented any entity on the Conflict Search Results in connection with the Debtors or these chapter 11 cases, except as disclosed herein.
- (f) In addition to utilizing the Conflict Search System, a general inquiry was sent to all NRFUS attorneys by electronic mail to determine whether any NRFUS attorney has any personal or professional connection to any name on the Potential Parties in Interest list.

Summary of Conflicts Analysis

10. The Conflict Search Results revealed that various attorneys at NRFUS may now or hereafter counsel or represent, or may have previously counseled or represented, certain creditors of the Debtors or other Potential Parties in Interest. Accordingly, NRFUS attorneys divided the entities listed on the Conflict Search Results into two categories: (a) Potential Parties in Interest that are currently represented by NRFUS in another unrelated matter ("Current Clients"); and (b) Potential Parties in Interest that have been represented in the past by NRFUS in another unrelated matter ("Former Clients"). A list of the Current Clients and Former Clients are attached to this Declaration as **Exhibits B and C**, respectively, and are fully incorporated herein for all purposes. Although NRFUS has been, and currently is, adverse to various parties-in-interest in unrelated matters, no such connections are disclosed herein; only connections to current and former NRFUS clients are disclosed herein.

Interest in NRF's conflicts database. NRFUS, Norton Rose Fulbright LLP, Norton Rose Fulbright Australia, Norton Rose Fulbright Canada LLP, Norton Rose Fulbright South Africa (incorporated as Deneys Reitz, Inc.), each of which is a separate legal entity, are members of Norton Rose Fulbright Verein, a Swiss Verein. Norton Rose Fulbright Verein helps coordinate the activities of the members but does not itself provide legal services to clients. Out of an abundance of caution and for purposes of full disclosure, certain of the current clients identified herein, and/or affiliates/potential affiliates thereof which are included herein as well, may include those of other member firms.

11. NRFUS has reviewed each of the client connections listed on the attached **Exhibits B and C**. As a result of NRFUS's review, and as more fully described below, I have determined that NRFUS does not hold or represent an interest that is adverse to the Debtors' estates. To assure that no attorney at NRFUS will inadvertently commence representation of any creditor or other party adverse to the Debtors or their estates, the Conflict Search System has now been programmed with a "block" to require that no such representation or relationship may commence without first obtaining specific clearance; accordingly, no such clearance shall be given during NRFUS's representation of the Debtors in these chapter 11 cases.

12. To the best of my knowledge, of the entities listed as Potential Parties in Interest, none has represented more than 1 percent (1%) of NRFUS's annual gross revenue over the past twelve (12) months.

The Debtors

13. NRFUS has rendered, among other services, refinancing and restructuring related legal services to the Debtors since February 7, 2017. Since that time, NRFUS has advised the Debtors concerning their affairs, debt obligations, and restructuring alternatives. NRFUS also has performed services necessary to enable the Debtors to file for protection under chapter 11.

14. On October 27, 2016, the Oklahoma Law Enforcement Retirement System filed a federal securities class action against Adeptus Health Inc., Thomas S. Hall, Timothy L. Fielding, Richard Covert, Daniel W. Rosenberg, Gregory W. Scott, Ronald L. Taylor, Jeffery S. Vender, Steven V. Napolitano, Stephen M. Mengert, Sterling Partners, Goldman, Sachs & Co., and Merrill Lynch, Pierce, Fenner & Smith Incorporated (the "OLERS Lawsuit"). The OLERS Lawsuit is currently pending in the United States District Court for the Eastern District of Texas,

Tyler Division as Case No. 6:16-cv-01243-RWS. NRFUS represents Sterling Partners in the OLERS Lawsuit.

15. On or about October 27, 2016, NRFUS was retained by VST Holdings 1-18, LLC (“VST”) to assist VST and certain entities controlled by VST (CJC 18-2 LLC, CCMR 18 LLC, MTL Jamie LLC, MTL Jennifer LLC, RLC Jenna 18 LLC and RLC Justin 18 LLC) in the acquisition of real property in Dallas that is leased to the Debtors. NRFUS’s work on the matter concluded on or about November 15, 2016.

Current Clients

16. The Conflicts Search System results have revealed that NRFUS currently represents certain creditors or other Potential Parties in Interest in matters unrelated to the Debtors’ chapter 11 cases. A list of creditors or other Potential Parties in Interest that NRFUS currently represents in matters unrelated to these chapter 11 cases is attached hereto as **Exhibit B**.

17. NRFUS’s representation of the Current Clients will not affect its representation of the Debtors in these chapter 11 cases, as NRFUS does not and will not represent any of the Current Clients in matters related to the Debtors.

18. NRFUS will not represent the Debtors in an adversary proceeding or other litigation against any Current Client of NRFUS without obtaining appropriate waivers where necessary or appropriate. In addition, NRFUS will not represent any client in any matter involving the Debtors or these chapter 11 cases while retained as the Debtors’ counsel in these chapter 11 cases. NRFUS will notify the United States Trustee of any waivers it receives during the pendency of the Debtors’ bankruptcy cases. If any matters arise with respect to which

NRFUS cannot obtain a necessary waiver, special counsel will be retained to represent the interests of the Debtors.

Former Clients

19. NRFUS has determined that it has formerly represented certain Former Clients that are listed as Potential Parties in Interest. A list of these Former Clients is attached hereto as **Exhibit C**. Each of NRFUS's representations with the Former Clients was in connection with a matter unrelated to the Debtors or their chapter 11 cases.

Other Connections to Parties in Interest

20. Numerous attorneys at NRFUS have personal banking relationships with parties on **Exhibit A**. NRFUS does not believe that these connections pose a conflict of interest in this matter.

21. In addition, NRFUS represents a number of law firms as clients in litigation. Accordingly, it is possible that any party in interest to the Debtors' bankruptcy cases may be represented or counseled by one or more of such client law firms, either in the Debtors' matters or in other matters unrelated to the Debtors. Because of the confidentiality of such attorney-client relationships between our client law firms and their own clients, NRFUS has no practical way of knowing which of its client law firms, if any, have been contacted by parties in interest to the Debtors' bankruptcy cases. Since such potential connections would pose no conflict of interest in this matter, we do not propose to undertake any such investigation absent instructions to do so from the United States Trustee or the Court.

22. Similarly, NRFUS has represented in the past, and currently represents, a number of international, national, regional, and local accounting firms, and, therefore, it is possible that any party in interest to the Debtors' bankruptcy cases may be served by one or more of such

client accounting firms, either in the Debtors' matters or in other matters unrelated to the Debtors.

23. As always, our independent representations of other law firms, or of accounting firms, are not connected with, or adverse to, the Debtors so far as we have been able to determine, and such representations and connections will not affect NRFUS's zealous representation of the Debtors in these chapter 11 cases.

24. In addition, to the best of my knowledge, information, and belief and in accordance with Bankruptcy Rule 5002, neither I nor any attorney at NRFUS is a relative of the United States Bankruptcy Judge assigned to the Chapter 11 Cases, and NRFUS does not have a connection with the United States Bankruptcy Judge that would render the Firm's retention in the Chapter 11 Cases improper.

25. Finally, in accordance with Bankruptcy Rule 2014, NRFUS has no known direct connection to the Office of the United States Trustee for the Northern District of Texas. Individual attorneys within NRFUS have in the past served as bankruptcy trustees appointed by various United States Trustees and have been compensated for such services in accordance with orders of the respective bankruptcy courts presiding over those cases according to law.

Supplemental Disclosures

26. Despite the efforts described above to identify and disclose NRFUS's connections with parties in interest in these chapter 11 cases, because NRFUS is an international law firm with approximately 1,000 attorneys, and approximately 2,800 attorneys spread across the other members of the Norton Rose Fulbright Verein, NRFUS is unable to state with absolute certainty that every client representation or other connection has been disclosed. In this regard, if NRFUS

discovers additional information that requires disclosure, NRFUS will file a supplemental disclosure with the Court.

Payments to NRFUS

27. NRFUS is not a creditor of the Debtors. In the ninety (90) days prior to the commencement of these cases, NRFUS received from the Debtors advances in the aggregate amount of \$2,201,227.05 on account of services to be performed and expenses incurred and to be incurred in connection with services to be provided by NRFUS, including the commencement and prosecution of these chapter 11 cases. As of the Petition Date, the fees and expenses incurred by NRFUS and debited, or input into NRFUS's billing system to be debited, against the amounts advanced to it by the Debtors within the previous ninety (90) days approximated \$1,692,623.16. The precise amount will be determined upon the final recording of all time and expense charges. Accordingly, as of the Petition Date, NRFUS had a remaining credit balance in favor of the Debtors in the approximate amount of approximately \$508,603.89 for additional professional services performed and to be performed and expenses incurred and to be incurred in connection with these chapter 11 cases. After application of amounts for payment of any additional prepetition professional services and related expenses, the excess advance amount will be held by NRFUS in a trust account for application to and payment of postpetition fees and expenses that are allowed by the Court upon motion of NRFUS.

28. An accounting summary of payments invoiced or to be invoiced and received by NRFUS in the ninety (90) days prior to the Petition Date is set forth below:

Benefit to the Estate

29. In addition to their specific expertise with these Debtors, NRFUS has extensive experience in all aspects of law that NRFUS will advise the Debtors on in its capacity as counsel in these chapter 11 cases.

30. NRFUS's experience and expertise, as well as its familiarity with the Debtors and their businesses, will substantially benefit the Debtors' estates by allowing NRFUS to provide effective and efficient legal services in these chapter 11 cases. Through its prepetition representation of the Debtors and its recognized knowledge and experience in all aspects of chapter 11 bankruptcy cases, NRFUS is uniquely able to assist the Debtors to maximize the value of their estates for the benefit of creditors and other interested parties.

**Compensation and Statement Pursuant to Sections 329 & 504
of the Bankruptcy Code and Federal Bankruptcy Rule 2016(b)**

31. Subject to the Court's approval, NRFUS intends to (a) charge for its legal services on an hourly basis in accordance with its ordinary and customary hourly rates in effect on the date services are rendered and (b) seek reimbursement of actual and necessary out-of-pocket expenses in connection with the rendition of legal services in accordance with NRFUS's policies for all clients.⁴ NRFUS will maintain detailed, contemporaneous records of time and any actual and necessary expenses incurred in connection with the rendering of the legal services described in the Application.

32. The fees charged by NRFUS are based upon hourly rates, which are periodically adjusted in the normal course of the firm's business. NRFUS and the Debtors have agreed that the standard rate structure utilized by the Firm will apply to fees charged in connection with this case. Generally, our hourly billing rates for domestic offices range from \$550 to \$1,125 for partners; from \$420 to \$820 for senior associates; from \$475 to \$940 for senior counsel; from \$220 to \$850 for counsel; from \$210 to \$760 for associates; from \$270 to \$460 for patent agents; from \$655 to \$1,150 for of counsel; from \$150 to \$465 for paralegals; and from \$210 to \$415 for

⁴ The hourly rates charged by NRF professionals differ based on, among other things, the professional's level of

senior paralegals. My current hourly rate for this matter is \$1,050 per hour. NRFUS and its professionals will keep track of their billings on a tenth of an hour basis with time charges allocated in accordance with the categories set forth by the Office of the United States Trustee.

33. In addition to the hourly rates set forth above, NRFUS customarily charges its clients for all reimbursable expenses incurred, including photocopying charges, facsimile transmissions, messengers, courier mail, overtime meals, overtime and late night transportation, travel, lodging, meal charges for business meetings, postage, printing, transcripts, filing fees, computer research, and similar items.

34. Other than the Debtors' agreement to compensate NRFUS at its regular hourly rates and to reimburse NRFUS for the reasonable and necessary expenses incurred on behalf of the Debtors, NRFUS has not received any promises from the Debtors or any other person to compensate or reimburse NRFUS in connection with the Debtors' chapter 11 cases.

35. Neither NRFUS nor any partners of NRFUS have divided, paid over, or shared or agreed to divide, pay over, or share, (a) any compensation it or they has or have received or may receive for services rendered or expenses incurred in connection with this case with another party or person (except as among the partners, counsel, and associates of NRFUS, as described above), or (b) any compensation another party or person has received or may receive for services rendered or expenses incurred in connection with these chapter 11 cases.

36. The proposed retention of NRFUS is not prohibited by or improper under Federal Bankruptcy Rule 5002. NRFUS and the professionals it employs are qualified to represent the Debtors in the matters for which NRFUS is proposed to be retained.

experience and the rates normally charged in the location of the office in which the professional is resident.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.
